

DC Power Supply Plugs/Jacks

DC Power Supply Jacks : DC Series

■ Features

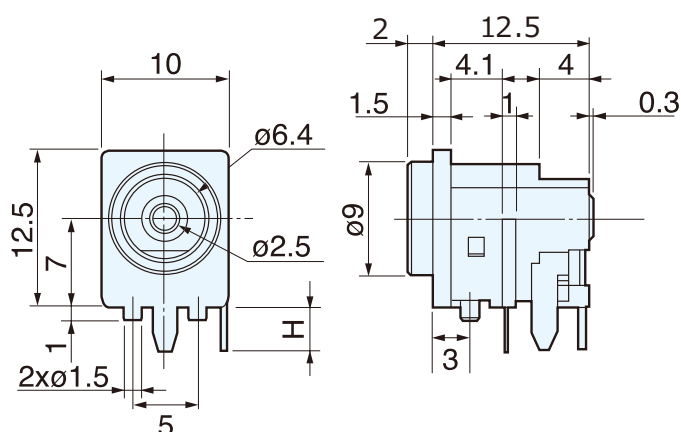

1. DC jack adapting for large and high voltage.

■ Specifications

- Rated Voltage AC/DC : 19V DC, 5.3A
- Contact Resistance : 50mΩ max.
- Insulation Resistance : 100MΩ min. 500V DC
- Withstanding Voltage : 250V AC (for one minute)
- Operating Temperature Range : -30℃ to +80℃
- Insertion Force : 29 N max.
- Withdrawal Force : 2.94~29N
